Fees For 2024 / 2025

Funded Childcare

If your child qualifies for funding you can initiate the claim process in the term after they turn three. The quantity of funded childcare hours, encompassing both universal and extended, depends on their term-time attendance. To apply for extended hours funding, you'll need to do so online at: <https://www.gov.uk/check-eligible-free-childcare-if-youre-working>. To ensure consistency in the monthly fee throughout the year, this funding is spread out over the entire year.

Monthly Fees With Funded Childcare

	Under 2 Year Old (from September)	2 Year Old	3 and 4 Year Old	
			Universal	Extended
Half Day	£65.75	£62.00	£86.01	£86.01
1 Day	£97.50	£94.25	£142.27	£142.27
2 Days	£337.50	£326.25	£381.28	£284.53
3 Days	£720.00	£696.00	£717.03	£426.80
4 Days	£1102.50	£1065.75	£1052.78	£762.55
5 Days	£1410.75	£1363.73	£1304.59	£1014.36

The total funded hours for the year are calculated based on the hours attended during term time. For instance, if your child attends 1 day (10 hours) per week and qualifies for funding, we would distribute the funded 380 hours (10 hours * 38 weeks) across the 51 weeks we are open, resulting in approximately 7.45 funded hours per week.

A limited number of funded only sessions are available

Most parents will also be eligible for Tax-Free childcare. You can check your eligibility and learn more about the scheme, which can be worth as much as £2,000 per annum per child.
